

## **6.17 FINALS IN OLYMPIC RIFLE AND PISTOL EVENTS**

**6.17.1 General Finals Competition Procedures.** These procedures apply to Finals in all 10m, 25m and 50m Rifle and Pistol Individual events.

Procedures applicable to specific events are shown as follows:

Rule 6.17.2 - 10m Air Rifle and 10m Air Pistol, Men and Women

Rule 6.17.3 - 50m Rifle 3-Positions Men and Women

Rule 6.17.4 - 25m Rapid-Fire Pistol Men

Rule 6.17.5 - 25m Pistol Women

Rule 6.18 – 10m Rifle and Pistol Mixed Team events

Separate procedures apply to Shotgun events, as shown in Section 6.19

**6.17.1.1 Qualification for Finals.** All athletes entered in an event will fire the Qualification course (Rule 3.3.5 and 3.3.6.5) to determine the finalists for that event. The eight (8) highest-ranking athletes in the Qualification advance to the Finals, except in 25m Rapid Fire Pistol Men, the six (6) highest-ranking athletes advance.

**6.17.1.2 Start Positions.** Start positions in Finals are assigned according to a random draw that is done automatically by the computer when the Finals Start List is produced. 10m and 50m firing points must be labelled R1-A-B-C-D-E-F-G-H-R2. Targets for 25m Pistol Women Finals must be labelled A-B-R1-D-E/F-G-R2-I-J. The reserve targets are designated R1 and R2.

**6.17.1.3 Reporting and Start Times.** The Start Time for a Final is when the CRO begins the commands for the first MATCH shot/series. Athletes must report to the Finals Range Preparation Area at least 30 minutes before the Start Time. A two (2) point/hit penalty will be deducted from the score of the first MATCH shot/series if the athlete does not report on time. Athletes must report with their equipment including sufficient ammunition to complete the Final, competition clothing and a national team uniform that is appropriate to wear in the Victory Ceremony. The Jury must confirm that all finalists are present and that their names and nations are correctly recorded in the results system and on the scoreboards. Juries must complete equipment checks during the reporting period as soon as possible after the athlete reports. During Finals security measures should be put in place to ensure the security of all equipment and athletes belongings left within the Preparation area.

**6.17.1.4 Late Arrival.** Any finalist who does not report to the preparation area within 10 min. after the Reporting Time may not start and will be recorded as the first eliminated athlete and shown as DNS. If a finalist does not report, the first elimination will begin with the seventh place, or fifth place for a 25m Rapid Fire Pistol Men Finals.

**6.17.1.5 Scoring.** Qualification scores entitle an athlete to a place in a Final, but do not carry forward. Scoring in Finals starts from zero (0) in accordance with these rules. A deduction or penalty must be applied to the score of the MATCH shot/series where the violation occurred. No score below zero (0) will be recorded (e.g. 3-1 point deduction = 2, 0-1 point deduction = 0).

**6.17.1.6 Malfunctions, 10m and 50m Finals.** If a finalist has an ALLOWABLE malfunction (Rule 6.13.2) during a single shot, a maximum of one (1) min. will be given to repair the malfunction or replace the gun, after which the athlete will be directed to repeat the shot. If a finalist has an ALLOWABLE malfunction

in a 5-shot series and the malfunction can be repaired or the gun replaced within one (1) min., any shots fired in that series will be counted and the athlete will be permitted to complete the series within the time remaining when the malfunction was claimed plus additional time equal to the time required to repair the malfunction, but not exceeding one (1) min. Finalists may have only one ALLOWABLE MALFUNCTION per Final.

6.17.1.7 **Score Protests.** Score protests regarding the value or number of shots are not permitted in Finals.

6.17.1.8 **EST Complaints During Finals**

a) If a finalist complains that his target failed to register a shot during Sighting shots, the athlete must be directed to fire another shot at that target. If that shot registers, the Final will continue. If that shot does not register or if there is a complaint regarding the failure of a paper/rubber strip to advance, the CRO must command "STOP...UNLOAD" for all finalists and the athlete with the malfunctioning target must be moved to a reserve target. As soon as that athlete is in position on a spare target, the CRO will give all finalists two (2) minutes preparation time and then restart the Preparation and Sighting Time for the Final.

b) If there is a complaint concerning an unexpected zero (0) (missing shot) during a MATCH shot/series, the Jury (Jury Member-in-Charge, second Competition Jury Member and one RTS) must determine whether the missing shot actually was a miss (0) or if the target malfunctioned (the Jury may direct the CRO to stop firing so they can examine the target). Unless the Jury finds credible evidence that the shot missed the target, it shall direct the athlete to fire another competition shot (10m/50m), 25m Pistol Women series completion (one shot) or a 25m Rapid Fire Men series. If the extra competition shot registers, the value of that shot shall be counted in lieu of the unexpected zero (missing shot) and the Final shall continue. In a 25m Rapid Fire Men Final, the score of the repeat series shall count in lieu of the hit total of the original series.

c) If the shot fired on a target that had the unexplained miss does not register, the athlete must be moved to a reserve target (25m RFP to another target group). In 10m or 50m Finals, the athlete who was moved to a reserve target must be given two (2) minutes Preparation and Sighting Time. The athlete who is moved must, on command, be allowed to fire the missing competition shot, series completion or re-fire series (25m RFP) before competition firing continues for all athletes.

d) During any delay in competition firing, other finalists are permitted to do aiming exercises and dry fire. If the total delay to resolve the unexplained miss issue is longer than five (5) minutes, all athletes in 10m and 50m Finals must be given two (2) minutes Sighting time before competition firing resumes.

6.17.1.9 **Finals Range Equipment.** Finals Ranges must be equipped with electronic scoreboards that display ranked results for competition officials, athletes, coaches and spectators; a countdown clock visible to finalists and a speaker system. If a count-down clock is not visible to all finalists, all controlled times must be shown on monitors clearly visible to all finalists. Chairs must be provided for Jury Members on duty, Range Officers, coaches and eliminated athletes who withdraw from the firing line. A table or bench must be provided on which athletes can place their equipment before entering the Finals range or if they withdraw from the firing line.

- 6.17.1.10 **Finals Officials.** The conduct and supervision of Finals must be done by the following personnel:
- a) CRO. An experienced Chief Range Officer with an ISSF A or B license must conduct Finals;
  - b) Competition Jury. The Competition Jury must supervise the conduct of Finals. The Jury Chairman must designate himself or one Jury Member as the Jury Member-in-Charge;

  - e) Range Officer (RO). One or two experienced Range Officer(s) will assist the CRO by checking guns for safety, escorting finalists and their coaches to and from the FOP and handling any malfunction claims during the Final;
  - f) Technical Officer(s). The Official Results Provider appoints the Technical Officer(s) to prepare and operate the ESTs and the graphic display of results and to consult with the Juries regarding any technical problems;
  - g) Announcer. An official designated by the ISSF or Organizing Committee must work with the CRO and be responsible for introducing finalists, announcing scores and providing information to spectators; and
  - h) Sound Technician. A qualified technical official must be available to operate the sound and music system during the Final.
- 6.17.1.11 **Finals Production and Music.** The conduct of Finals must use colour, lighting, music, announcements, commentary, staging and CRO commands in a complete production that portrays the athletes and their competitive performances in the most appealing and exciting ways to spectator and television audiences.
- 6.17.1.12 **Presentation of Finalists.** After the Sighting Period or Series, Rifle finalists may remain in position, but must lower their rifles from their shoulders and turn their heads towards spectators and the TV camera. All Pistol finalists must place their guns down and turn to face the audience. The Announcer will introduce finalists by giving the name, nation and brief information about each Finalist. The Announcer must also introduce the CRO and Jury Member-in-Charge.
- 6.17.1.13 **Protests in Finals**
- a) Any protests in a Final must be verbal and immediate. Protests are made by the athlete or his coach holding up his hand;
  - b) There is no protest fee for a protest in a Final.
  - c) Any protest must be decided immediately by the Finals Protest Jury (3.12.3.7, 6.16.6 and 6.17.1.10.d.). A decision by the Finals Protest Jury is final and may not be appealed; and
  - d) If a protest in a Final is not upheld, a penalty of two points or two hits must

be deducted from the score of the last shot or series.

#### 6.17.1.14 **Finals Rules and Procedures.**

a) ISSF General Technical Rules or the Technical Rules for each event apply in all cases not covered by Rule 6.17.

b) **Reporting and equipment set-up.** After reporting to the Preparation Area, finalists or their coaches must be allowed to place their guns and equipment on their firing points at least 20:00 min. before the Final start time (15:00 min. before for 25m Pistol Finals). Gun cases and equipment containers must not be left on the FOP. Aiming exercises are not permitted at this time. Athletes must then return to the Preparation Area, ready to be called to the firing line for their warm-up period and presentation. Coaches will take their allocated seats on the field of play.

c) **Call to the line.** An NTO will direct athletes to line up close to the Finals Range twelve (12) minutes before the published START time. When Rifle finalists are called from the Preparation Area to the firing line, they must walk to the line fully dressed with trousers and jackets closed. The CRO will announce **“ATHLETES TO THE LINE”**.

d) **Safety flags.** After finalists are called to the line, they may handle their guns, get into firing positions and do holding or aiming exercises but they may not remove safety flags or dry fire until the **“PREPARATION AND SIGHTING TIME...START”** command or **“PREPARATION BEGINS NOW”** (25m Pistol) command.

e) **Dry firing.** In Finals, dry firing is permitted only during a Preparation and Sighting Time, Changeover and Sighting Times or a Preparation Period, except that dry firing during 25m Rapid Fire Pistol Finals is permitted in accordance with 6.17.4. Dry firing, at any other time must be penalized with a one (1) point deduction in 10m and 50m Finals and a one (1) hit deduction in 25m Pistol Finals.

f) **Early loading.** No finalist is permitted to load a rifle or pistol until the CRO gives the command **“LOAD”** or **„START“**. This means that for the Preparation and Sighting Time, where there is no **“LOAD”** command, **“START”** is also an authorization to load. Loading is defined as bringing a cartridge or pellet or magazine with cartridges into contact with the gun (see 6.2.3.4).

g) **Holding and aiming exercises.** In Finals, holding and aiming exercises are permitted from the time finalists are called to the line (**“ATHLETES TO THE LINE”** command) until the **“STOP... UNLOAD”** command at the end of the Final is given, except that holding and aiming exercises may not be done during the presentations.

h) **Firing before START or LOAD command.** If a finalist in a 10m, 25m or 50m Final loads and fires a shot before the **“PREPARATION AND SIGHTING TIME...START”** command or before the **“FOR THE SIGHTING SERIES... LOAD”** command, he must be disqualified.

i) **Firing after STOP command.** If a finalist fires a shot after the **“PREPARATION AND SIGHTING TIME... STOP”** command or the **“CHANGE-OVER AND SIGHTING TIME...STOP”** command and before the **“START”** command for the next competition series, the shot must not be counted as a MATCH shot and a two (2) point penalty must be applied to the first MATCH shot.

j) **25m Pistol – early firing.** If a finalist in a 25m Rapid Fire Pistol Men Final

fires a shot before the green light for a series comes on, the entire series must be scored as zero (0) hits. If a finalist in a 25m Pistol Women Final fires a shot before the green light for a shot comes on, that shot will be scored as a miss and a one (1) hit penalty will be deducted from the score of the series.

k) **Firing extra shot.** If a finalist fires an extra shot in a series or single shot time, the extra shot must be nullified and a two (2) point/hit penalty must be applied to the last correct shot.

l) **Firing inadvertently.** If a finalist who is not involved in a shoot-off or malfunction completion/refire loads and fires a shot that shot must be nullified. There is no penalty for this inadvertent mistake.

m) **Safety flags** - must remain inserted in finalists' guns until the Preparation and Sighting Time starts. Safety flags must be inserted during the presentation and when an athlete is eliminated or the Final concludes. Athletes who are eliminated during a Final must place their guns down on the firing point, bench or equipment box (3-Position Finals) with actions open and muzzles pointed downrange, with safety flags inserted. A Range Officer must check all guns to make sure safety flags are inserted. Medal winners may pose with their guns immediately after the Finals, but no guns may be removed from the firing points until safety flags are inserted and checked by a Range Officer. If an athlete inadvertently fails to insert a safety flag, a Range Officer is authorized to correct the fault and insert a safety flag.

n) **Coaching.** Non-verbal coaching is permitted during all Finals. Verbal coaching is permitted only during 3-Position Rifle Final changeover times.

o) **Incorrect commands.** If a Finals CRO in either an individual or mixed team Final gives an incorrect command, such as failing to start a relay correctly or calling **STOP** before all athletes have fired or completed firing, the following procedure must take place:

If a Finals CRO in either an individual or mixed team Final gives an incorrect command during a single series, **shots already fired must be counted.** The CRO must reset the time clock to the original time limit and give new commands to allow the athlete(s) who did not start or were unable to complete firing, to fire their remaining shots.

If a Finals CRO in either an individual or mixed team Final gives an incorrect command during a multi-shot individual or mixed team series, **shots already fired must be counted.**

The Jury-Member-in-Charge must determine how much time was remaining at the time **STOP** was commanded, add 60 seconds to that time and instruct the CRO to restart and complete the series so athletes who have shots remaining can fire.

If any athlete misunderstands this procedure and accidentally fires too many shots, any extra shots must be nullified and incur no penalties.

p) **Presentation of Medallists.** After the CRO declares "**RESULTS ARE FINAL,**" the Jury Member in Charge must assemble the three medallists on the FOP and the Announcer must recognize the medal winners by announcing:  
**"THE BRONZE MEDAL WINNER, REPRESENTING (NATION), IS (NAME)"**  
**"THE SILVER MEDAL WINNER, REPRESENTING (NATION), IS (NAME)"**  
**"AND THE GOLD MEDAL WINNER, REPRESENTING (NATION), IS**

**(NAME)”**

**q) Malfunctions.** Only one (1) malfunction will be allowed for each athlete throughout the Final. Athletes may be allowed one (1) minute to repair or replace a malfunctioning firearm to permit the Final to continue without unnecessary delay.

**r) Music.** During the Final, music must be played which should be approved by The Technical Delegate. Enthusiastic audience support is encouraged and recommended during all Final stages.

**s) Penalties.** Any penalties will be applied according to ISSF rules.

**t) Irregular cases.** ISSF General Technical Rules will apply to matters not mentioned in the above paragraphs. The Jury will decide irregular or disputed matters according to General Technical Rules for each event.

**u) National identification (dress code).** Athletes must wear shooting clothes consistent with the ISSF Dress Code, (Rule 6.22). Rifle athletes must display their national identification on their shooting jackets as follows: The national flag of the country, or the 3-letter identifier as determined by the IOC on the pocket that faces towards the audience or on the lower back of the jacket.
