

The Swiss Shooting Sport Federation is seeking to appoint, with immediate effect or by agreement, a:

Rifle Coach – Junior National Training Centre (50–100%)

The Swiss Shooting Sport Federation (SSV) is a member of Swiss Olympic and one of the largest sports federations in Switzerland. Founded in 1824, the federation has nearly 60,000 licensed shooters and approximately 130,000 members. The federation comprises 26 cantonal shooting federations with over 2,500 clubs. Our shooters participate in national and international, Olympic and non-Olympic competitions in rifle and pistol disciplines.

What you can expect from us:

- Coaching in the Olympic rifle disciplines at the National Training Centre (NTC) in Biel/Maggingen
- Planning, delivering and analysing NTC rifle training sessions for junior athletes
- Supporting athletes at national and international competitions, including Rifle Trophy, Grand Prix, European Championships, World Championships, etc.
- Collaborating with sports science on projects and the PISTE programme
- Ammunition management and zeroing of athletes' equipment
- Coordinating, setting up and dismantling training facilities
- Supporting and coaching CISM athletes at regional tournaments, World Championships and World Games
- Coordinating and supporting SSV athletes during elite sport recruit school

What we expect from you:

- Strong affinity with international shooting sports
- Strong knowledge of the 10/50 m Olympic rifle disciplines
- Extensive expertise in sporting rifle equipment
- Qualified professional coach (Diploma Coach/Professional Coach) or J+S Level A certification; if not yet obtained, willingness to complete this training
- Military affiliation is an advantage
- Willingness to work irregular hours
- Strong motivation and a passion for building something great together with an outstanding team of coaches and athletes
- Strong personal dedication, team-oriented mindset, and excellent interpersonal skills, combined with a proactive "hands-on mentality"
- 100% commitment to the sport of shooting
- Very good command of German (written and spoken) and a good command of French and English; knowledge of additional foreign languages would be an advantage
- Driving licence category B

What we offer:

- Exciting and rewarding experiences at national and international competitions in a unique sporting environment
- The opportunity to shape, develop and represent elite sport and youth development in Swiss shooting at both national and international level
- Professional association structures
- Elite sport and talent development aligned with the latest FTEM guidelines from Swiss Olympic
- An excellent workplace at the National Training Centre with state-of-the-art infrastructure
- Highly motivated squad athletes with great potential, alongside a skilled coaching team
- Various corporate benefits and employee discounts
